

The Bible Warns Against Oppositions To Science

By David J. Stewart | October 2014

Psalm 8:3, "When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained."

As read in our text verse, God created the moon, heavens and stars. God created the universe and everything in it. I had always thought about the phrase "science falsely so called" in 1st Timothy 6:20 as being a warning against false science, but then I realized that the Bible tells us to avoid "OPPOSITIONS" of science, which is false science. The Bible is telling us to avoid any claims or teachings that contradict proven science. 1st Timothy 6:20, "O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called."

A classic example of false science (which is the opposition of legitimate science) is the bizarre and bogus claims of evolutionists. Evolution is a satanic lie intended to indoctrinate children with a brainwashing system of beliefs that substitutes satanic deception for God's Word. That's what false religion is, a substitute for the truth of the Gospel (good news) of the Lord Jesus Christ. 2nd Corinthians 4:4 teaches that Satan (Lucifer) is the god (little g) of this world and blinds the mind of unbelievers to hinder them from seeing the glorious truth of the Gospel, lest they be saved. The Devil wants to take everyone to Hell.

The Bible teaches that the moon and stars are the work of God. Jesus Christ is the divine Creator of the universe and everything therein...

John 1:1-3,14, "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. ... And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."

Jesus Christ is the Word of God Who became incarnate (in the flesh). Revelation 19:13 says that Jesus' name is called **THE WORD OF GOD**. Amen and amen!

National Geographic is a heathen publication, which denies the Holy Bible. Instead, they teach that an asteroid struck the earth billions of years ago and a big piece of the earth broke off, somehow became round, and that's where our moon came from . . .

<http://news.nationalgeographic.com/news/2007/12/071219-moon-collision.html>

If you believe that you're a fool sad to say. The moon didn't break off from the earth. The Bible teaches in the book of Genesis that God created the sun, moon and stars . . .

Genesis 1:16, "And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also."

The lesser light to rule the night is the earth's moon. God is an awesome God!

Psalms 89:37, "It shall be established for ever as the moon, and as a faithful witness in heaven. Selah."

Psalms 94:11, "The LORD knoweth the thoughts of man, that they are vanity."

Anyone who can look at the round moon and believe that at one time it broke off from the earth, by a massive impact from a speeding renegade asteroid, must be really desperate to believe anything other than the Bible. The moon looks perfectly round. If an asteroid crashed into the earth billions of years ago, there wouldn't be anymore earth. The latest theory is that many asteroids continued bombarding the earth for billions of years, causing it to form a molten ball, then develop gravity as its mass increased, which then formed solid land, water and then the miracle of all life.

Honestly, I feel very sorry for anyone who is so foolish, brainwashed and gullible to actually believe the bogus claims of NASA, National Geographic's and Discovery Channel concerning the origin of the earth, moon and universe! Originally NASA theorized that two asteroids accidentally collided to form two big chunks from which the earth and moon evolved; but in recent years NASA scientists have updated their position that the colliding asteroids resulted in a fine cloud of dust (aftermath) that evolved into the earth and moon...

NASA's Spitzer Telescope Witnesses Asteroid Smashup

NASA, Jet Propulsion Laboratory
August 28, 2014

NASA's Spitzer Space Telescope has spotted an eruption of dust around a young star, possibly the result of a smashup between large asteroids. This type of collision can eventually lead to the formation of planets.

Scientists had been regularly tracking the star, called NGC 2547-ID8, when it surged with a huge amount of fresh dust between August 2012 and January 2013.

"We think two big asteroids crashed into each other, creating a huge cloud of grains the size of very fine sand, which are now smashing themselves into smithereens and slowly leaking away from the star," said lead author and graduate student Huan Meng of the University of Arizona, Tucson.

While dusty aftermaths of suspected asteroid collisions have been observed by Spitzer before, this is the first time scientists have collected data before and after a planetary system smashup. The viewing offers a glimpse into the violent process of making rocky planets like ours.

Rocky planets begin life as dusty material circling around young stars. The material clumps together to form asteroids that ram into each other. Although the asteroids often are destroyed, some grow over time and transform into proto-planets. After about 100 million years, the objects mature into full-grown, terrestrial planets. Our moon is thought to have formed from a giant impact between proto-Earth and a Mars-size object.

These secular theories put forth by NASA, Discovery Channel, National Geographic's and others totally contradict the Holy Bible and legitimate science. Proven science demonstrates in the laws of thermodynamics that energy and matter can be transformed from one form into another, but cannot be created nor destroyed. Yet, arrogant unsaved physicists like Dr. Steven Hawking speak with boldness (as if they're not theorizing), claiming that the universe came from nothing without God. They claim that the Big Bang came from nothing, which is impossible. As a born-again Christian I know that God can and does often do THE IMPOSSIBLE!!!

Jesus Christ Created All Things

There is perfect sense in accepting the Biblical claim that God is our Creator, Who made the universe (Genesis 1:1; 2nd Peter 3:5; John 1:1-3,14). Here are the precious answers from the Word of God that the world will not accept. Here is where the universe came from and why...

Colossians 1:12-17, "Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light: Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son: In whom we have redemption through his blood, even the forgiveness of sins: Who is the image of the invisible God, the firstborn of every creature: For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: And he is before all things, and by him all things consist."

Isn't that precious! The Son of God, Jesus Christ, created all things. Beware of false religions like the Jehovah's Witnesses, Seventh Day Adventism and all the modern corrupt false Bible versions which errantly say that God the Father created all things "THROUGH HIM" (Jesus), instead of "BY HIM" as the King James Bible teaches in John 1:1-3 and Colossians 1:16. The modern corrupt Bibles deliberately pervert the Scriptures by changing "BY HIM" to "THROUGH HIM." The Holy Bible proclaims that Jesus is the Creator of all things, and they were created FOR HIM as well as BY HIM (Revelation 4:11). Jesus is almighty God, even called "THE ALMIGHTY" in Revelation 1:8. Modern Bibles pervert Revelation 1:8 to say, "MIGHTY ONE" instead of "THE ALMIGHTY"! Please read, [THE GODHEAD](#).

God didn't create humanity and then leave us to guess and wonder where we came from. It makes perfect sense that our Creator would author an instruction manual for His creation. Amen! It's been said that when all else fails, read the instructions! No one has to wonder where the universe came from, because the Holy Bible tells us, as I just shared with you. I believe that the King James Bible is the preserved, inerrant, perfect, infallible, inspired Word of God in the English-speaking language! It's the Book that makes the difference!!! Colossians 1:16-17 teaches us that Jesus created all things, which includes the universe and beyond. Jesus also created Lucifer, an upright beautiful and highly intelligent archangel, but sin corrupted him to become Satan.

God Offers Eternal Life as a Free Gift to Anyone Who Wants It

But if there is no God as atheists and unbelieving scientists claim, then nothing make sense. For centuries secular scientists, evolutionists and educational experts were dumbfounded and put to silence over the unanswerable question: Where did the original universe come from? Since energy cannot be created nor destroyed, there is no logical answer except God! My heart is joyfully comforted in knowing that my Savior is the Creator of all things? Do you know Him? Have you been born-again? The Bible (God's Word) promises eternal life.

Yes, you can live forever! Eternal life is a free gift. It is free because Christ paid your sin debt on the cross, shedding His precious blood and dying for all men. Christ paid a debt that He did not owe, because we owed a debt that we could not pay. That debt is the wages of sin, which is physical and eternal death ("the second death," Revelation 21:8; 20:11-15; Romans 6:23). The good news (Gospel) is that Christ died in our place on the cross, so that we could freely obtain eternal life by simply believing on Christ as the Son of God Who died on the cross, was buried and resurrected three days later (1st Corinthians 15:1-4).

Salvation is not doing your best, it is having Christ's best put to your account through receiving Him by faith. Satan's greatest weapon is to con people into living a religious life without ever being born again. Please receive the Gospel as full payment for your sins and you will have eternal life immediately. **1st Thessalonians 4:14, "For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him."** Christ died, that's history; Christ died for me, that's salvation!

Legitimate Science Disproves the Lies of Evolution

There's an old police detective saying: If a man is lying and you keep asking him questions, he'll eventually change his story; but if a man is telling the truth, he cannot change his story no matter how many questions you ask him. Likewise, Satan is a liar, which is why he keeps changing the theory of evolution; but the Word of God NEVER changes! The King James Bible tells the truth, which is why it hasn't changed since 1611 when it was faithfully translated from the original Hebrew, Chaldean and Greek manuscripts of the *Textus Receptus* (or "received text," also called, the "majority text"). Thank God for the unchanging Word of God in the preserved, inerrant and inspired King James Bible!!!

I'm not trying to be unkind, but NASA scientists have flip-flopped their theory of how the earth was formed at least twice in the last decade. As the thinking world continues to challenge the bogus lies of evolution and oppositions to legitimate science, they have to keep changing their story to hide the deception. I believe most of them are sincere in their quest to find answers, but the Bible teaches that they will never find them... **2nd Timothy 3:7, "Ever learning, and never able to come to the knowledge of the truth."** A man will never become wise until he first becomes as a fool in his own eyes, and begins to fear the Lord and **"SEARCH THE SCRIPTURES"** for answers as Jesus commanded in **John 5:39, "Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me."**

The fact that 95% of the earth's core is composed of **molten liquid rock** (lava) proves National Geographic magazine and all the so-called scientists who believe the moon/crash theory, **WRONG!** If an asteroid impacted the earth, nothing would break off because of the liquid molten core. How did the earth end up at just the precise distance from the sun to sustain life on earth? How does the earth maintain a heated mantle (7,000 to 12,000 degrees Fahrenheit) by **gravitational accretion** (20%) and the **decay of radioactive isotopes** (80%)? Do you really believe it just happened? God created the earth this way. Hell is inside the earth. **Isaiah 14:15, "Yet thou shalt be brought down to hell, to the sides of the pit."**

The Old Testament mentions the earth **760 times!** Wow! And the New Testament mentions the earth **188 times!** 1st Corinthians 10:26 says that ***the earth is the Lord's and the fulness thereof.*** God created the universe, and then looked over what He had made, and God was pleased. We are created in God's image, which is why we also like to look over the work we have done, to see if it is good and done the way we wanted. Amen!

The moon is mentioned **52 times** in the Old Testament, and **10 times** in the New. The earth is God's creation and He is pleased with it. Psalms repeatedly teaches that the earth has been established **FOREVER** by God. We will live here upon the earth with God forever. **Psalms 78:69, "And he built his sanctuary like high palaces, like the earth which he hath established for ever."**

Listen to what Hitler's Nazi-fascist minister of propaganda said about the ease of deceiving people...

"It would not be impossible to prove with sufficient repetition and a psychological understanding of the people concerned that a square is in fact a circle. They are mere words, and words can be molded until they clothe ideas and disguise." —Joseph Goebbels

The preceding quote is important, because it explains the dangers behind the lies of evolution. Satan knows that by continually repeating lies that people's brains will eventually start accepting them as true. This is why it is so utterly important that we contend for the Christian faith and **"Be watchful, and strengthen the things which remain, that are ready to die"** as the Bible says in **Revelation 3:2**. Our precious churches are dying because Satan has succeeded in taking away the holy inspired Words of God. **The Insane Claims Of The Unscientific World.**

Do you think Satan is less effective at lying and deceiving than Joseph Goebbels? Notice that he uses the word "disguise." Satan has disguised his corrupt fake Bible versions as the holy Word of God. The NIV series will continue to corrupt the Word of God, incrementally, preparing the world to receive the coming Antichrist! Let me show you some examples.

I feel sorry for anyone who is so blinded by Satan (2nd Corinthians 4:4) that they refuse to see the glory of God (Psalm 19:1-3) and His eternal power and Godhead by all the things which are made (Romans 1:20). Note that all Scriptures are quoted only from the trustworthy and inspired King James Bible.

The claim by evolutionists, geologists and scientists that the moon formed by breaking off from the earth by a catastrophic event billions of years ago is just **REALLY BAD SCIENCE**. It's not even plausible when one considers the core content of the earth, nor the characteristics of a high speed impact by an asteroid.

When two humongous elements (one being the earth) collide at 25,000 miles per hour, they completely shatter and disintegrate into pieces. An impact hard enough to break a piece off the earth would totally annihilate everything. And again, the earth's molten core wouldn't cause a clean break, it would be like smashing a watermelon with a sledgehammer!

By all scientific methods of testing, speculating, analyzing and guesstimating; there is no plausible way that an asteroid could have struck the earth, broke off a giant piece, floated 250,000 miles away, fell into a perfect orbit, and then somehow became perfectly round. God is the only logical answer!!!

Science makes no logical claims that can be supported with credible evidence; yet the Bible makes logical claims, with plausible explanations to support those claims. The only evidence that scientists can present for their earth/crash theory is that moon rocks collected in the 1960's are composed of the same elements as the earth. God can do that you know!

I took a good, long, look at the moon the other night; it was almost a full-moon; and I thanked God for such a beautiful night light that He gave to

us. God is so good to us. As I viewed the perfect roundness of the moon, I thought about the absurd claim that the moon broke off from the earth by a cataclysmic asteroid crash.

I know in my heart that it is much more than just the innocent ignorance of bad science; it is the wicked unbelief of God hating men and women. Romans 1:21-22 teaches us that the wicked are ingrates, who do not glorify God in their lives, and they are fools who claim to be wise. Proverb 1:7, "The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction." The reprobate evolutionists, geologists, professors and scientists who write articles for National Geographic, and teach in heathen State universities all across the world; don't fear God. They haven't even found the first step to true knowledge. Romans 3:18, "There is no fear of God before their eyes." The Word of God teaches that genuine knowledge begins with the fear of God. All true science begins with God, centers around God, and never strays off the fact that God is the omnipotent Creator of all life, and the Maker of the universe in which we live. What a precious Redeemer!!!

**If you repeat nonsense often enough for long enough,
it becomes proven fact — It's a proven fact!**

Lunar Or Looney?

1st Timothy 6:20, “O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called.”

Jesus is Precious!
